FIX YOUR FERAL CATS!

Cats can't add or subtract but they sure can **MULTIPLY!**

Cat traps can be purchased at Tractor Supply or online on many different websites. Low cost spay and neuter services are offered at many locations - a list of some locations is available on the reverse side of this flyer

DID YOU KNOW?

Each day over 70,000 puppies and kittens are born in the US, and because of overpopulation, more than 3.7 millions animals are still being euthanized each year in shelters across the country. You can help.

Unspayed/Unneutered Cats & Kittens:

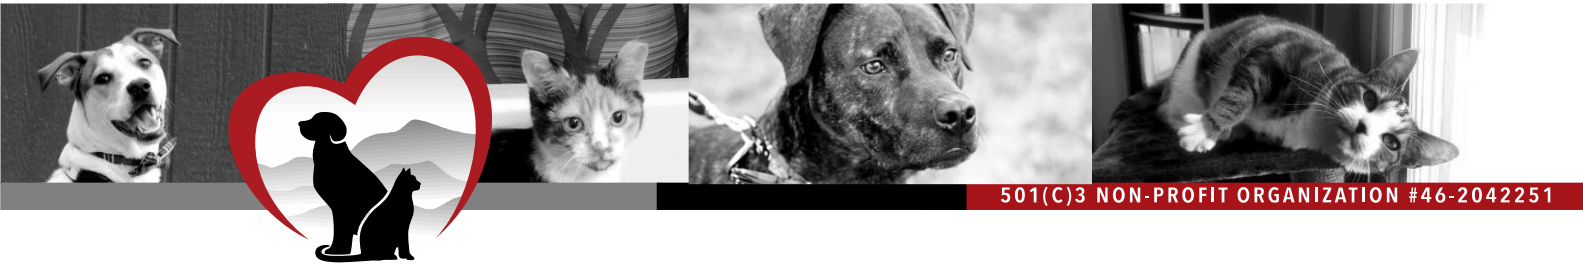

This chart represents one unspayed female, her mate and all of her offspring, producing 2 litters per year, with 2.8 surviving kittens per litter:

Feral and Free-Roaming Cats

It is well established that the only effective, humane way to manage feral cat colonies is through TNR (Trap, Neuter, Release), which proactively prevents more cats from being born through spaying and neutering. Please visit alleycat.org for information on why TNR is the only effective, humane way to manage feral cats.
